CIRCUIT COURT ADJOURNS OVER ELECTION DAY

November Term Begins Monday and
Grand and Petit Juries are
Drawn for Service.

The November term of the Lincoln Circuit Court convened here on Monday morning. According to custom, after the grand and petit juries were drawn and charged, Judge Hardin adjourned court until Wednesday on account of the election on Tuesday.

There are a number of interesting and important cases on the docket for the present term of court, including the murder case against Roy Stewart, who is charged with killing Anderson Carr, in Macksville. Several interesting civil actions are also pending, including a suit brought last week by E. B. and S. E. Powell, sons of the late Mrs. Kate Powell, who are seeking to brake her will on the grounds of undue influence and incompetency.

After swearing in Sheriff J. G. Weatherford and W. S. Embury for the present term the juries were drawn as follows:

Grand Jury—L. P. Nunneley, foreman, Frank North, secretary, Wm. Montgomery, A. J. Weddle, W. B. Hamilton, J. F. Shaw, John Reichenbach, George Franklin Gooch, Roscoe Colyer, George Fred Gooch, H. W. McWhorter, J. H. Rigby.

Petit Jury—H. C. Aldridge, H. F. Newland, E. T. Pence, Sr., Galen Rogers, Roy A. Spears, T. A. Rice, J. W. Hunter, Sam Holtzclaw, J. C. Pepples, S. T. Curtis, R. T. Bruce, R. S. Scudder, R. M. Blackberry, J. D. Depp, John M. Stone, W. R. Gaines, W. M. Myers, J. S. Moberly, A. M. Fryc, P. L. Beck, B. Chancellor, G. H. Farris, C. A. Redd and W. A. Hatcher.

Judge Hardin delivered a lengthy and forceful charge to the grand juries calling their attention to various forms of law violations, which he urged them to investigate. The grand jury went into session immediately. Commonwealth's attorney E. V. Puryear, of Danville, was on hand in consultation with the grand jury.

Despondency Due to Indigestion

It is not at all surprising that persons who have indigestion become discouraged and despondent. Here are a few words of hope and cheer for them by Mrs. Blanche Bow-ers, Indiana, Pa. "For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them, did I find the right treatment. I soon began to improve and since taking a few bottles of them my digestion is fine." For sale by all dealers.

They do not object to taking it," writes Mrs. Lafayette Tuck, Homer City, Pa. "This remedy contains no opium or other narcotic, and may be given to a child as confidently as to an adult. Sold by all dealers."

PUNCTURED A LUNG Former Lincoln Young Man Seriously Injured at Nashville

News was received here Sunday of a serious accident to W. B. Curtis, eldest son of Mrs. Susan Curtis, on the Crab Orchard pike. While pruning some fruit trees at his home in Nashville, Tenn., Mr. Curtis fell out of a tree and struck the ground with terrific force. A stab which was sticking out of the ground under the tree, penetrated his side and badly punctured a lung, causing a very serious and dangerous injury. Mrs. Curtis and Clyde Curtis left at once for Nashville, upon receiving news of the accident.

Preacher Raises Big Beet

Not to be outdone by the big sweet potatoes which have been brought to the I. J. office recently, Dr. M. D. Early of the Baptist church came in Monday with an ordinary table beet that tipped the scales at five and a half pounds. He says that his good wife should be given all the credit for raising such a monster. Who can match this beet?

BAPTIST HOME COMING Celebrated at Crab Orchard Church Last Week

Crab Orchard—Nov. 3.

The second Home Coming ever held in the Baptist church took place Sunday, Oct. 25, and was a most interesting and enjoyable day. In spite of the bad weather a very large crowd was present and many old people were here tenderly cared for and they seemed to greatly enjoy the day. Rev. Rogers welcomed the crowd with an appropriate and beautiful address, then introduced Rev. Foley of Garrard county, a grand nephew of the first man of that name to ever preach in that church, being one of its primitive pastors. Rev. Foley who is quite aged and feeble was much affected and delivered some splendid remarks suitable to the occasion. The Preacher's church was represented by Mr. Lunsford, who gave a most interesting talk upon the past, present and future outlook of the church touching in a tender manner upon the old members he used to meet who have crossed over the dark river. Rev. Rogers then introduced Dr. Hearn to the audience and he being a missionary from China gave a most beautiful address on the home coming. The choir rendered splendid music and Miss Tanner Thompson in her sweetest manner sang "Face to Face," "Don't Stop Praying" and "Let the Savior In" was pleasingly rendered by Messrs. Burton Thompson, William Thompson, Charles Buchanan and John Stephenson, and "Home Again" was beautifully sung by Mrs. Will Pettus, Mrs. David Newland and William Thompson. Mrs. George Stephenson presided at the organ during the entire musical service. A bountiful repast was served at the noon hour, and everyone surely enjoyed it and there was enough and to spare of every good thing to eat. In the afternoon Dr. Hearn entertained the crowd in a most pleasing and instructive talk upon the customs, life and religion of the Chinese which were indeed curiosities. He showed two of the gods that were worshipped for generations by families who would not discard them until they became believers in the Christian religion. The small shoes worn by the ladies of China were shown and it is hard to conceive what the punishment must have been to cramp the foot in its growth to fit a shoe not over four in inches long. Then there were the combs made of native wood, there were pipes, spectacles and the medicine given to heal certain diseases consisting of horrible looking bugs and worms, dried. It gave one a most vivid picture of the ignorance and depravity of the race. Rev. Hearn spoke of the possibilities to be accomplished by missionary effort and ended by saying he hoped to see several from the Crab Orchard Baptist church enter the foreign field as workers in China.

Rev. Rogers is the one who planned the Home Coming in his church here and was well pleased with its success.

No matter what the outcome of the election today, especially in Lincoln county, the highest praise is due to Campaign Chairman George DeBorde for his valiant work for the democratic ticket. Mr. DeBorde has left no stone unturned that might help in getting out the vote. He has been full of enthusiasm from start to finish, has worked constantly and given of his time and money with no other reward in view except that Lincoln county might make a good democratic showing. Our hat is off to one of the best party leaders that ever made a fight in Lincoln and to one of the cleverest and very finest fellows and democrats that the sun shines on. Nothing's too good for George F. DeBorde.

The 12 federal reserve banks will open Nov. 12th, which is expected to release more than \$400,000,000 now held by national banks as reserve, thus adding greatly to the loaning power of the banks and making money conditions much easier. President Wilson's administration has done everything possible for the relief and benefit of the farmer and the poor man.

State Chairman Tom Rhea made a wonderful fight in Kentucky, without money and against tremendous odds. He was always on the job. Kentucky democrats will remember his great work in this campaign and should desire further honors at their hands next year, ought to have anything he may ask for. We're for him for Auditor or any thing else he may ask for.

"SYRUP OF FIGS" FOR CONSTIPATED CHILD

Delicious "Fruit Laxative" Can't Harm Tender Little Stomach, Liver and Bowels

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour look at the tongue, mother! If coated, give a teaspoonful of this harmless "Fruit Laxative," and in a few hours all the foul, constipated waste, sour and undigested food passes out of the bowels, and you have a well playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

C. C. Bagby, of Danville, was selected as umpire in a dispute between the street car company and its employees at Lexington. A fine selection. No fairer or more conscientious man could have been found for such a trying and delicate position.

WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework."

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

MIDDLEBURG

Mr. and Mrs. P. H. Taylor motored from Danville Saturday and spent the night and Sunday with relatives here.

T. W. Branson sold his grist mill to Robert Potect of Judd and Mr. Potect will continue to run it at Yosemite.

Mack Keeney, who has been running the Golden Dawn Hotel for a year or more has moved back to his farm near Somerset and Jason Lawhorn is mine host at the springs again.

Hon. Harve Hehn passed through here Tuesday afternoon but he was going so fast that it took two to see him. As there was no one present with us we only got a glimpse. With five counties to make in less than a week it did require one hustling.

Virgis Wesley the merchant king of Joyce, this county, is closing out his stock of goods preparatory to quitting the mercantile business. He is engaged in the roller mill business and will give his whole attention to that in the future.

William Lawhorn's sorghum factory is running full time now, working some dozen or more men. He is making a fine quality of lasses.

T. W. Branson, who has run a successful grocery business for two years at Yosemite, has sold out to W. C. Royalty, who will conduct the business at the old stand.

Jack Frost somewhat delayed his coming but was here right side up with care Tuesday morning.

Those whose corn was submerged by the late flood have shucked it out and will not suffer as great loss as was first thought. G. W. Grider, who lives on the Tanner farm, seems to have suffered worse than any one else. Forty acres of his crop were covered by water.

We have heard it said that three meals from a dead horse would fatten a lean dog. If horse flesh has the same effect on human beings, Louisville people ought to show signs of good feeding.

Neuralgia of the face, shoulder, hands, or feet requires a powerful remedy that will penetrate the flesh. BALLARD'S SNOW LINIMENT possesses that power. Rubbed in where the pain is felt is all that is necessary to relieve suffering and restore normal conditions. Price 25c, 50c, and \$1.00 per bottle. Sold by Shugars' Drug store, Stanford, & Lyne Bros., Crab Orchard.

The Only Sure Ender of All Corns. Desperate, are you, ever trying to get rid of corns? Quit using old formulas under new names, bandages, winding-tapes and cotton rags that make a fat little package out of your

This is the Grip of the Corns. Corns. "GETS-IT" is a powerful foot by using toe-cutting knives and ointments. To use knives, files, cutters and razors, slicing and hacking at a corn only make it grow faster and bigger. It also brings danger of blood poisoning. The new way, the new principle never known before in corn-history, is "GETS-IT." It's a liquid—2 drops on a corn does the work. Pain goes, the corn begins to shrivel and out it comes! Apply it in two seconds. Nothing to stick, nothing to hurt, and it never falls. Try "GETS-IT," test it on corns, calluses, warts or bunions. "GETS-IT" is sold by druggists everywhere. A Message To Women

Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y.—"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak."

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. HORNUNG, 91 Stanton St., Buffalo, N. Y.

Was A Blessing To This Woman.

So RICHMOND, VA.—"I was troubled with a bearing down pain and a female weakness and could not stand long on my feet. Of all the medicines I took nothing helped me like Lydia E. Pinkham's Vegetable Compound. I am now regular and am getting along fine. I cannot praise the Compound too much. It has been a blessing to me and I hope it will be to other women."—Mrs. D. TYLER, 23 West Clopton St., South Richmond, Va.

Pains in Side, Could Hardly Stand.

LODI, WIS.—"I was in a bad condition, suffering from a female trouble, and I had such pains in my sides I could hardly move. Before I had taken the whole of one bottle of Lydia E. Pinkham's Vegetable Compound I felt better, and now I am well and can do a good day's work. I tell everybody what your medicine has done for me."—Mrs. JOHN THOMPSON, Lodi, Wisconsin.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs. It has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS. for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
